Miss E. Lam.

It has been so nice know-  
ing you during these past four  
years of high school. I'll never  
forget my Junior year of English  
when we studied Macbeth, Lady of  
the Lake, and others. I think, not  
of all the novels, book-length poems  
and etc., I enjoyed Lady of the Lake  
the best. May you always have  
lots of good luck and hold many  
happy memories of the class of '208.

Sincerely,

Judy Rainey.

It has been a very great  
pleasure being a class as one of  
your students. I have enjoyed  
studying English and listening  
to your talk. I will always  
remember your philosophies on  
life and admire your  
wonderful christian beliefs.  
I hope your future may be  
as happy as it seems your

could be a path for anyone  
to follow.

Best of luck in your future

## FOREWORD

You're typical teens... making fun of work... sharing interests... you like jeans but can change to glamour when it fits the occasion.

Yes, you're typical teens... Go steady... about five months... Dress up... heels for her... tie for him... You know how to drive... rely on the family bus... get it... say twice a week. You snack, watch television, listen to the radio while doing homework.

You're typical high school students... You go out for sports one hundred per cent... You hold down a job... baby sit... sometimes into the early hours of morning... You work in stores... garages... up late... little spare time.

Your daily schedule is a familiar pattern of high school life... get up at 7:30... maybe 8:00... sometimes oversleep... ride the bus... go at breakneck speed to cafeteria for lunch... drink cokes... munch candy bars and hot dogs... now and then you order a real feed... You enjoy school but hate to admit it... study some... three hours a night... no... a week... average "A"... well "C"... Anyway you make the grade... just... but you're satisfied because you are a teenager.

And so since you have all these qualities, be they good or bad, ludicrous, pathetic or otherwise, we give you this 1957-58 TOMAHAWK!

## SUPERINTENDENT'S MESSAGE

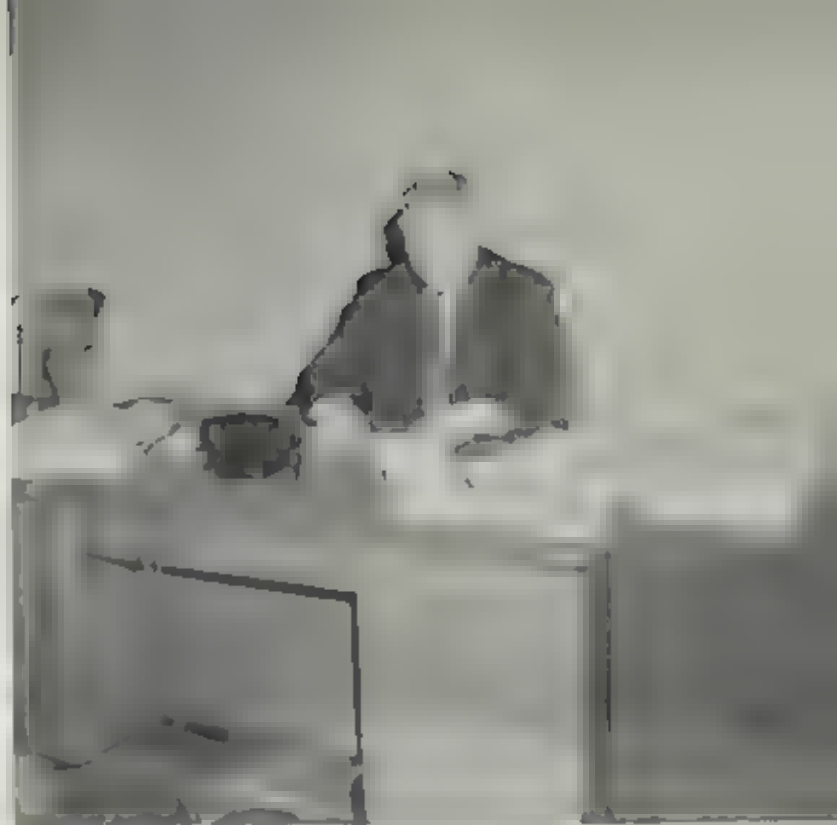

The launching of the man made earth satellites has aroused the American Public to the importance of education. Newspapers, magazines, radio and television all stress the need for renewed emphasis on the need for knowledge in the academic subjects. We have the facilities in our new school for meeting this need. The student body has responded to this appeal. It is my desire that the student body of Carlyle High carry over into their life out of the school those habits, skills and attitudes that lead to a successful life.

We are indeed grateful to them for their interest and co-operation during our years at C. H. S.

## PRINCIPAL'S MESSAGE

Seniors of 1958, you have my congratulations and best wishes. May each of you feel that the years you have spent in high school have been pleasant and very worthwhile. Use your knowledge and experience as you face the challenge of the future. Your decisions during the next four years will determine the course of your life. May all of your major decisions be wise ones, enabling you to be happy and to realize most of your ambitions.

Undergraduates of 1958, you will continue to have our interest and attention for some years to come. We ask for your cooperation and understanding as we instruct and guide you through your high school years. Your attitude, effort and ability will largely determine the success we will have in preparing you for your future. It is our hope that when the time comes for you to graduate and move on to new experiences, you can make the following statement, "I Am Ready."

Realizing that four of the best years of our lives have come to an end, we seniors are now preparing for the next big step - graduation. At C.H.S. we have had our opportunity to build character, to make friends, to learn, and to enjoy the many activities.

Now it is time for us to present our greatest show, "Diploma Time." Will a few forgotten lines or a couple of stumbles stop us? No-- because the spotlight is on us and we are the Senior Class of '58. During the last curtain call, we will realize that never again will we be students at C.H.S. The expression on each face reminds us that four of the best years of our lives are now memories of C.H.S.

# Sophomores

Before the curtain closes on our second year at C.H.S., we would like to leave a few remaining words. We think our record has been quite good. We had representatives in every field. We also had as our Hoo-hoo queen Margaret Hempen, one of our classmates, and one of the escorts as from our class.

We will remember this year as one of our best and wish to thank Mr. Cooper for helping to make it so.

In our remaining years we hope to make the class of '60 the best ever.

# Freshmen

We freshmen were quite a mixed up group the first few days of school, but we have now settled down to the routine of high school life. As freshmen we are just beginning our climb upward in high school, so our thoughts are not regarded as much as are those of our upperclassmen; but our time is soon to come, and we will make our mark then.

We were happy to have Judy Bright and Joe Hempen as attendants to the king and queen of the Hoo-Doo.

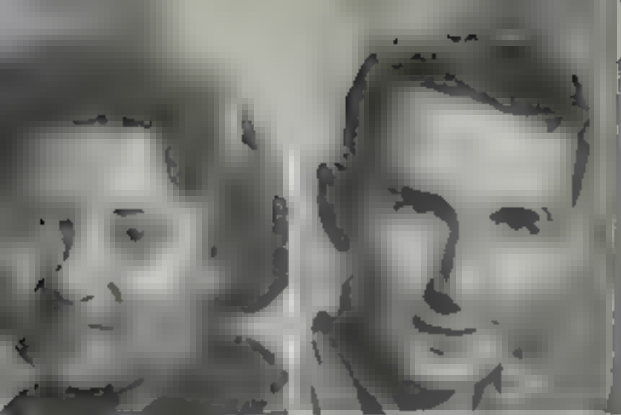

We would like to thank Mr. Gill for his patience in advising us green 'Freshies.'

# Hoo Doo

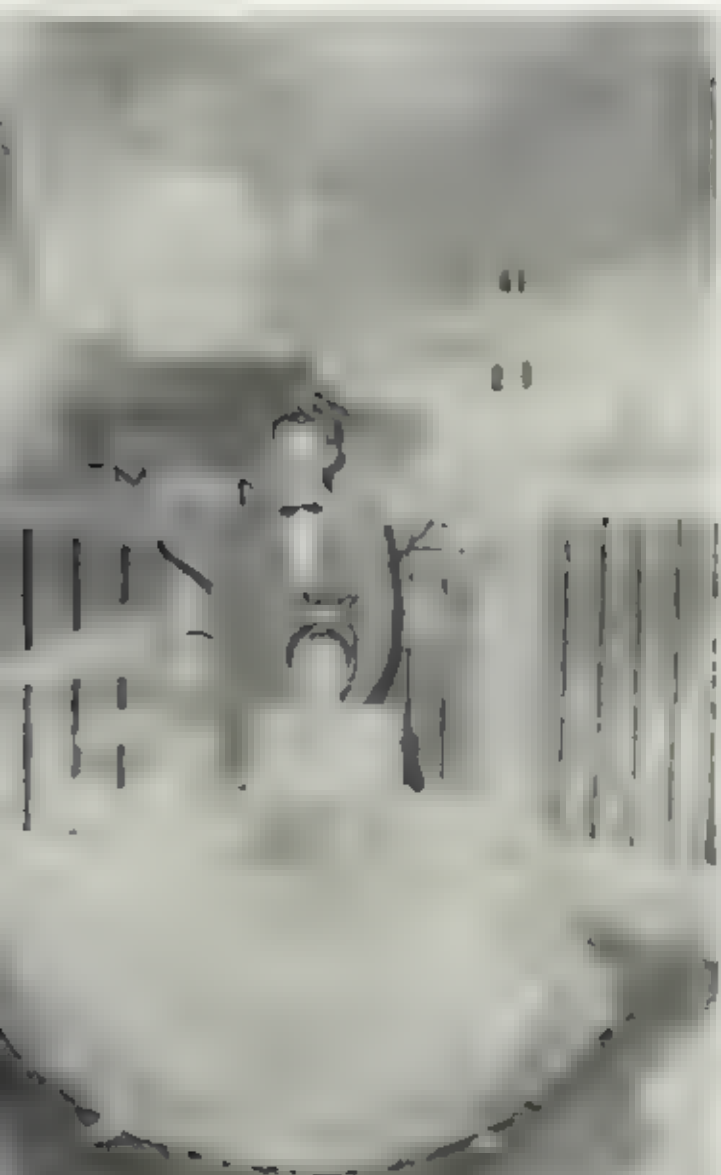

## — 1957 —

On the last Friday of every October, the Carlyle grade school gym is transformed into a gala scene of festivity. The gaily decorated booths, the excited crowd milling about, the smell of pop corn, the sound of the barkers at each of the stands... these are the lasting impressions of the Junior Class Hoo Doo.

The large crowd attending the 1957 Hoo Doo was given many opportunities to spend their money. The Halloween season made the "Mystery House" a popular site for thrill seekers. The sweet tooth of many was satisfied at the cake and candy

stand. A food stand was provided for those with heartier appetites. The ever popular "telegraph" and "novelty stand" did their usual bit to contribute to the profits.

One special feature of the evening was the "Grand March." Three prizes were give for the cutest, the most original, and the funniest. The cutest was a Miss Jenkins, dressed as a Chinese Doll; the most original was Suzy Westermann and the Danahue sisters dressed as Rub-a-Dub-Dub, three men in a tub; and the funniest was Jimmie Harvey, dressed as a cowboy.

The raffle created a great deal of interest among the adults in the crowd. Marshall Lippert won 1st prize - a phonograph; Earl Meier took home a steam and dry iron as second prize, and Rita Ann Hempen won third prize - a picnic kit.

## — 1957 —

The high point of the evening was the coronation of the king and queen. Trumpeters Stanley Gill and Stanley Roberts announced the entrance of the queen and king, the three maids and their attendants. Retiring King and Queen, Mary Reagan and Pat West led the procession to the stage followed by Margaret Tucker and Joe Hempen, Judy Bright and Larry Morgan, and Margie Stein and Nile Clifton. Then came the flower girls, Suzy Durbin and Juliana Hood followed by the crown bearers, Barry Schmidt and Beverly Hammel.

This was followed by the entrance of the king and queen, Margaret Hempen and Roger Moore, followed by the train bearers Kenny Allen and Mark Lanter.

The royal court sat in the beautifully decorated garden scene. The theme of the decoration was Deep

## Family Tree

**the junior and senior plays gave us a chance . . .**

Bonnie happily engaged to Benjie, receives word that Benjie's Back Bay relatives are coming to call. He hints that they may be inquisitive about her family tree but not to let it bother her.

Bonnie panics because of her rival Mary Chandler, a society girl. Aunt Abigail thinks it would be fun to pretend to be a duchess. With a few phony props the stage is set when the Partingtons come to tea. But there are snags. Mother, who hadn't been told of the plan, is put out by such pretensions. Following this, Mary, in from France, calls and exposes the hoax.

It is Mrs. Shepherd who returns and saves the day. She points out to Bonnie that the Partingtons have a right to expect grace and breeding in a daughter-in-law; and that Bonnie, in her emotion, has shown a lack of dignity, grace, and faith in what she was born to. Mrs. Shepherd invites the Partingtons to tea again, forces Bonnie to tell the truth, and brings out the family album, which contains photographs of an old New England shipbuilder and a missionary, both important to Colonial history. Old Lady Partington decides Bonnie's family tree is fully as sound as Plymouth Rock, and all is well once more.

# Dear Diary

... to display our thespian talents.

Distraught Mother and Father Maxwell have long had their hands full with daughter Connie and son, Wilbur, but there's been one ray of sunshine in their usually cloudy existence, and that's their daughter Betty Lou. She has always made top grades in school, has been a regular beaver when it comes to working, and she's praised and lauded by all who know her.

Unknown to all except Betty Lou and, of course, her best pal, Bernadine, she has been keeping a make-believe diary. A secret, that is, until Papa Maxwell happens to browse through it to get to know his children better. You can imagine his reaction when he finds out that daughter Connie is about to elope that night with Marvin, and that Wilbur and Hercules have fallen in with a treacherous gang. Of course, it is finally discovered that the diary is only make-believe, but not before things just couldn't get any more complicated and the laughs get completely out of hand.

# The Kaskaskian

Members of the Kaskaskian Staff have done a fine job of reporting all the latest happenings around C. H. S. this year.

The paper, which comes out once a month, contains various items such as sports news, short stories, class news, club news and also humorous articles submitted by students.

It is hard to realize the many hours of planning, the endless typing of copy and stencils and finally the unpleasant task of duplicating, that goes into each and every issue of the Kaskaskian.

The editors, Judy Rainey and Sharon Patterson, and their Junior editor Sandra King are to be especially commended for their excellent job of advising and directing the work of the staff.

Kaskaskian Editors: Sharon Patterson and Judy Rainey.

Editorial Staff: Mary Means and Gloria Nave, Co-Editors; Mary Warnecke, Layout Editor; Lois Edwards, Art Editor; Marilyn Rainey, Freshman Editor; David Potts, Sophomore Editor; Margie Stein, Junior Editor; Nile Clifton, Sports Editor.

# Tomahawk Staff

Long hours of planning...writing copy...trying to be clever...meeting deadlines (or missing them)

...

These are some of the things the annual staff must do to produce an annual for the student body.

The work of the staff was directed by Mr. Schmollinger, advisor, and Mary Means and Gloria Nave, Co-Editors.

In October, several staff members attended the Illinois State High School Press Conference at Champaign. There the members were able to attend lecture sessions on the production of an annual as well as attending exhibits from which they could gain many ideas. Those who attended were: Gloria Nave, Mary Means, Sharron Patterson, Mary Warnecke, and Mr. Schmollinger.

The main purpose of the advisor and staff members is to give the students and faculty of C. H. S. a lasting and worthwhile remembrance of this year's busy schedule of study and enjoyment.

# Student Council

Our Student Council consists of eleven members--two from the freshman class, and three from each of the other three. These people meet at regular intervals to try to find solutions to the many problems affecting our students.

Through the year, the student council sponsored such activities as the Freshman Initiation, many all-School dances, the all-School Christmas Party and the gift exchange.

The representatives from the classes were:

Freshmen: Penny Schlott, Kenny Burdin.

Sophomores: Nancy Keister, Secretary

Mary Rainey, Treasurer

Robert Wherritt

Juniors: Stanley Huffman, Nile Clifton, Jean Klauber

Seniors: Ada Mae Yardley, President

Mary Means, Vice President

On December 4, 1958 a Future Teachers of America club was organized at Carlyle High School.

The club was named for Miss Ethel Maddux, an outstanding educator in our community and a former teacher at Carlyle High School.

At a meeting on January 16, 1958, the officers and members were installed in a beautiful candle-light ceremony.

## Future Homemakers

The Carlyle chapter started the year off with a lot of officer meetings and a lot of talk. The girl at the head of these meetings was Sandra King as she was president. Gloria Nave sat close by so that she could keep accurate notes of what was going on. Carol Quick was there to act as Vice President, and Elsie Winn was there to warn us against mistakes that she had made as president last year.

We later elected a freshman girl, Penny Schlott, as Treasurer.

The girls had a "Bake Sale" on November 23 and plan to spend the money they took in on the Basketball Banquet in the spring.

The Future Homemakers of America knew of some Future Farmers of America and decided they would make excellent "Future Prospects," and invited them to a square dance. The dance was fun and we think everyone had a nice time.

The primary aim of the F. F. A. is the development of agricultural leadership, cooperation, and citizenship.

The Carlyle Chapter won several F. F. A. foundation awards in the past year, with the high point of the year the winning of the State Farm Bureau Acquaintance Day Award.

## ... and we learn only that which we do.

The G. A. A., one of the most active groups at C. H. S., had planned activities for its members each month. In September the girls went on a hike and picnic. October brought initiation for the new members. A speedball tournament provided activity for November. The annual G. A. A. Christmas dance was held in December. In January the girls had a huge slumber party in the gym. A basketball tourney was played-off in February. During March bowling was the spotlighted event. The Daddies were honored in April with a Daddy-Date Night. The year's activities was ended with an award banquet in May.

## Concert Band

During every sixth period a variety of strange noises is apt to emerge from the room at the end of the West corridor. Later on, however, these strange squeaks and toots are combined by the students of our high school band, and music is formed as a result.

These students are to be commended for making many of our school activities much more pleasant. Mr. Schmidt, too, deserves credit for molding these individual students into a band.

The concert band presented a concert at Christmas, which was enjoyed by the whole community. Twelve students from the band attended a band festival at Shelbyville in December.

In the '57 State Contest Carlyle boasted the following winners:

Carolyn Kaiser - 1st Superior-Baton Solo; Margie Stein, Sharron Patterson - 1st- Sax Duet, Sharon Pra-suhn - 2nd - French Horn Solo; C. Gill and Lou Schweickhart - 2nd - Brass Duet; Jan Purcell - 2nd - Vocal Solo; Girls' Sextet - 3rd.

## State Contest Participants

The C.H.S. Marching Band, under the leadership of Mr. Schmidt, with Carolyn Kaiser as drum Major, performed on quite a number of occasions in and around the Carlyle area.

The band marched in a parade in Centralia during a Halloween festival, and later at the Southern Illinois University Homecoming at Carbondale.

The band was present also at many of our home basketball games, performing intricate formations for the basketball fans during the half times and between the games.

In addition to Carolyn Kaiser, the band was always led by twirlers Gloria Nave, Mary Means, Marilyn Rainey, and Donna Jurgensmeyer.

The marching band entertained many fans and had a good time doing it.

The mixed chorus was newly organized this year and became one of the most popular choral groups. The girls' chorus received a second rating at district music contest last year. The boys' chorus added variety to the music programs at C.H.S. Several ensembles made up of choral students participated in the choral contest and school activities.

### C.H.S. TRACK

The 56-57 Kaskaskian track team members were: Ken Waelitz, Shelby Hammond, Mike Idel, Bob Cranford, Dick Gray, Verlan Swofford, Jerry Hoffman, Roger Thouvenin, Earl Schneider, Robert Roane, Jack Taylor, Dave Potts, and Pat West.

These boys had a fine season, topping it off with second place in the Tri-County Tourney. Nashville made 95 1/2 points, C. H. S. made 61 1/2, Sandoval made 41 1/2, and Ashley made 9 1/2 points.

Standing, left to right: L. Morgan, B. Behrens, G. Edwards, D. Wurm, A. Palmer, J. Hempen, K. Bur-  
in, J. Goldsmith, D. Taylor. Kneeling: D. VanDorn, J. Taylor, J. Reagan, D. Buchele, D. Farris, D.  
usch, R. Behrens, S. Sprehe.

Friday, November 15, the Kaskaskians made a trip to Marissa which launched their tremendous 1957-1958 basketball season. As the "sweet six" ran out onto the floor, we saw that they were Vernie, Hopie, Greg, Pat, Rog, and Nile. The boys pulled steadily away from the Marissa Meteors and defeated them 64-52.

Carlyle met Patoka in the first game on our home court. This battle of Indians ended with the Kaskaskians raves on top of the Warriors 69-51.

Vernie Nave paced the scorers with 28 as C. H. S. defeated our hottest rivals, the Mater Dei Knights 53-44. What a celebration followed that game!

Kaskaskian fans got their first real scare of the season as Greenville pulled close in the fourth quarter of our game there. But the Kaskaskians put on that final burst of energy which was to become so typical of our never-say-die team, and beat the Comets 49-44. Rog led the scoring column for that game with 20.

"COACH TAYLOR"

The Odin Eagles, who always seem to get tough when they play Carlyle, became the first team to pull ahead of the Kaskaskians. They led until the closing seconds of the game then Nave tipped in Jarvis' pass from the center 54-52.

The Kaskaskian players (and fans) got a needed and well deserved rest as they romped to victories over Cahokia (67-29) and Sandoval (63-38).

The Kaskaskians with their shooting percentages lagging behind the usual pace squeaked by Nashville's Hornets 42-41 in the first overtime game of the season. The teams were locked 37-37 at the end of the regulation time. During the overtime they traded baskets, then Pat Jarvis hit one of two free throws to give C. H. S. the winning margin.

Tuesday Night, December 17, was the night that proved the mettle of both the ballplayers and fans of Carlyle. Despite the handicap of a heavy fog many C. H. S. rooters followed the Kaskaskians to Pinckneyville. There they saw them jump to an early lead, play tremendous ball to protect it, and down the Panthers 68-58. Although Pinckneyville did not have as good a team as they usually do, the Panther's still travel in faster company than our Kaskaskians so there is plenty of reason to be proud of that Panther scalp hanging on the totem pole.

First row, left to right: G. Meyer, N. Clifton, V. Nave, R. Thouvenin, H. Johnson, P. Jarvis. Second row: Coach Hooper, J. Taylor, S. Huffman, M. Johnson, D. Van Dorn, K. Waelitz, Coach Taylor.

Fate finally caught up with the C. H. S. boys as they put their 9-0 record on the line against Greenville in the first game of the Holiday Tournament. It was a close hard fought game all the way. The Kaskaskians fighting spirit brought them through to tie at the end of four quarters 59-59. The finish of the overtime found the score still knotted 63-63. In the sudden death overtime which followed Greenville controlled the tip and with an impossible 40 foot jump shot broke the winning streak but not the spirit of the C. H. S. team. In the bit of excitement which followed the game the Carlyle cheerleaders proved their worth. We found we had the "fightingest" cheerleaders in the state!

On the second night of our Holiday Tourney C. H. S. met Odin the opener. Our boys were out for revenge that night and soundly dropped the Eagles 80-43. The Mater Dei knights took home the trophy, defeating Greenville in a seesaw struggle, 52-50.

C. H. S. fans got a look at the '58-'59 team in the latter part of our game against Sandoval. The Juniors added 10 points to the lead they inherited and brought through the winning score 81-41.

The Tri-County Tourney saw C. H. S. again playing for third place after being downed by Okawville. The Kaskaskians met the Blackhawks and downed them 77-52.

Patoka was next to fall at the hands of the Kaskaskians. Carlyle downed the Warriors 68-57.

The Kaskaskians, tied for first place with Okawville in the league standings fought back after the Rockets zoomed to an early lead, but not quite far enough and lost 68-66. This gave Okawville undisputed first place position.

Carlyle found two victories to add to their tally as they beat Breese 74-54 and Ashley 68-52.

The Kaskaskians visited Nashville and handed them a defeat 70-69. The Kaskaskians led throughout the game although the Hornets pulled close in the final quarter.

The appearance of Chief Winem brought luck to the Kaskaskians as they downed Mater Dei, winner of the Holiday and Tri-County Tourneys, 39-52 in a game at Breese.

After a hard fought battle with Odin the C. H. S. boys emerged victorious. The score--53-42.

On February 21 Coach Hooper and his mighty Kaskaskians won their 20th game of the season as they downed the tall boys from North Clay 63-45. This is only the third time in 20 years that C. H. S. team has achieved such a record. The next Kaskaskians victory will set a new record 21-3.

"COACH HOOPER"

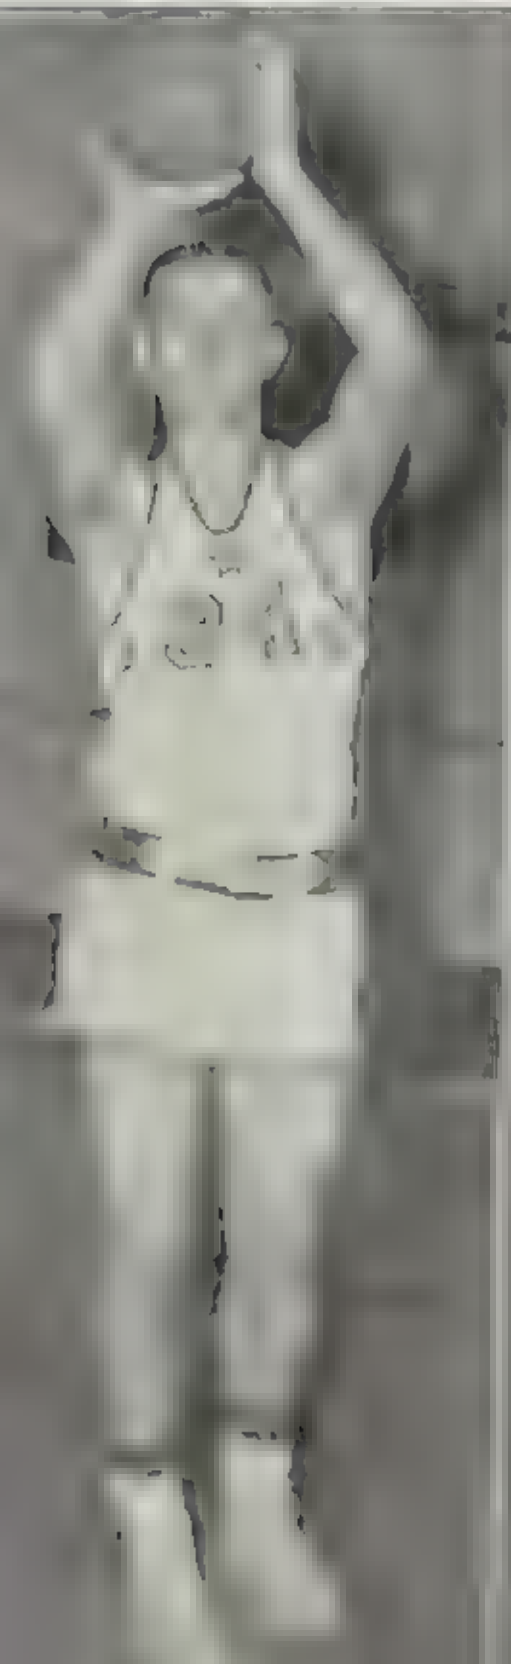

Carlyle center, Vernon Nave goes up for the tip against Mater Dei's Tom Timmermann, in one of the hottest games of the year. Carlyle emerged victorious over their biggest rival.

This is not the end of this book... no, not  
the end, but the beginning of the future....  
and you, the class of '58, who, one by one  
will add the final pages to this, our '58 Toma-  
hawk.

I will always

## Autographs

I hope all the same I have  
 enjoyed these very much. Thank you for  
 the two very nice post cards.

1. The first part of the paper is devoted to a general discussion of the problem of the existence of a solution of the system of equations (1) for arbitrary values of the parameters  $\alpha$  and  $\beta$ . It is shown that the system has a solution for arbitrary values of the parameters  $\alpha$  and  $\beta$  if and only if the condition  $\alpha + \beta = 1$  is satisfied.

The first thing I noticed  
 when I stepped out of the car  
 was the smell of the sea.  
 It was a salty, sweet  
 scent that I had never  
 experienced before. The  
 sun was shining brightly  
 on the water, and the  
 waves were crashing  
 against the shore. I  
 felt a sense of peace  
 and tranquility that I  
 had never felt before.
